Items to fix before submission

- Add a complete form written by Ulan on prices.html or computers.html.
- Add a real collected quote with name and date using , plus and .
- Add one real mailto: link.
- Add a real-data table and an ordered list with an attribute to Ali's two-page pair.
- Add enough distinct team-taken photos so Ali's pair contains three meaningful images.
- Add justified div and span usage with nearby explanations to Ali's pair.
- Fix about.html meta author and replace weak DUO/PRIVATE abbr usage with genuine abbreviations.
- Fix index.html line 139: images/duos-zone -> images/duos-zone.jpg.
